

## CABAC SELF CUTTING CABLE TIES

### Tools down, the most convenient cable tie ever made!

Save time and frustration with these nylon 6/6 cable ties that features an in built S/S301 cutting blade so you can quickly and effortlessly remove the tail of the cable tie without the need of any tools – simply lock and twist to finish the job.

This innovation improves efficiency as well as safety as it provides a flush, clean cut every time eliminating any sharp edges.

### FEATURES AND BENEFITS:

- Save time during installation with a single twist and no additional cutting tool required.
- Self Cutting cable ties have a loop tensile strength of 22.6KG and is made from durable, 100% nylon 6/6 material with a S/S301 cutting blade.
- These cable ties meet UL 94 V-2 flammability classification with an operating temperature of -40 to 85 °C.
- Black ties are UV resistant which makes them suitable for outdoor and indoor applications.
- Cable ties are packed in a handy re-sealable bag for your convenience.
