KITCHEN APPLIANCES MADE EASY.

CHEF

EASY
LIVING.

CHEF

Our mission is to make life easy. We keep things simple by designing appliances that take the fuss out of cooking so you can be free to focus on the things you love.

Our range of easy-to-use kitchen appliances makes cooking what it should be. Simple and enjoyable. We make uncomplicated appliances, without compromising on style.

Chef. Making life in the kitchen simple for over 70 years.

OVENS
MADE
EASY.

Our built-in oven range will meet all your cooking needs whether you're preparing a traditional family roast, feeding a crowd or whipping up a delicious dessert. With features that make life simple and uncomplicated, in an easy-to-install design that you'll love, there's a Chef oven to suit your kitchen, your food and the way you like to cook.

CHEF

OVENS
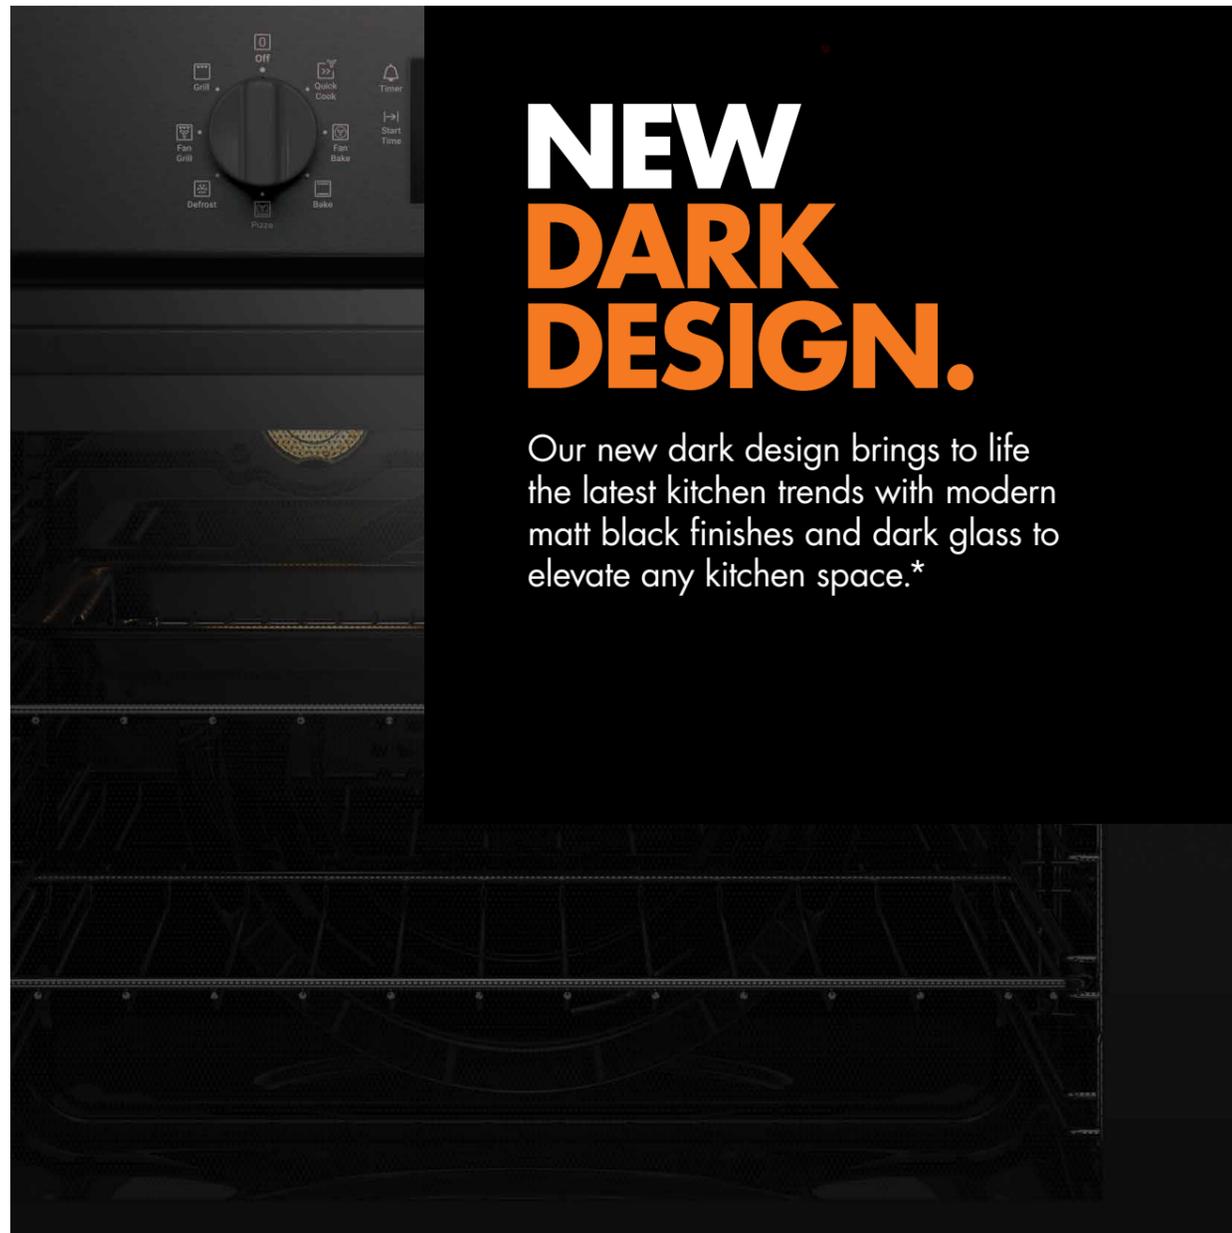

NEW DARK DESIGN.

Our new dark design brings to life the latest kitchen trends with modern matt black finishes and dark glass to elevate any kitchen space.*

HIGH HEAT FOR INCREDIBLE ROASTS. EASY.

Rapid, high and even heat means better roasts at home with our Quick Cook function.*

AN OVEN THAT CLEANS ITSELF. EASY.

Our Easy Pyro Clean means fuss free and effortless cleaning. At the press of a button, the pyrolytic function means the oven reaches high temperatures and turns residue into ash – so all you need to do is gently wipe away.*

BUILT IN AUSTRALIA

Chef has been part of Australian homes for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.

SIMPLY PLUG TO PLAY. EASY.

Installation is quick and easy and doesn't require professional help. The standard 10amp plug connects straight into the wall so you can start cooking delicious meals straight away.*

INDUCTION
COOKTOPS

HEAT
IN AN
INSTANT

Powerboost gives you intense heat in an instant – so you no longer have to waste time waiting for water to boil or your pan to heat up.

SAFE AND SOUND CHILD LOCK

Know that your family is safe thanks to an added child lock feature that prevents them from starting the cooktop by accident.
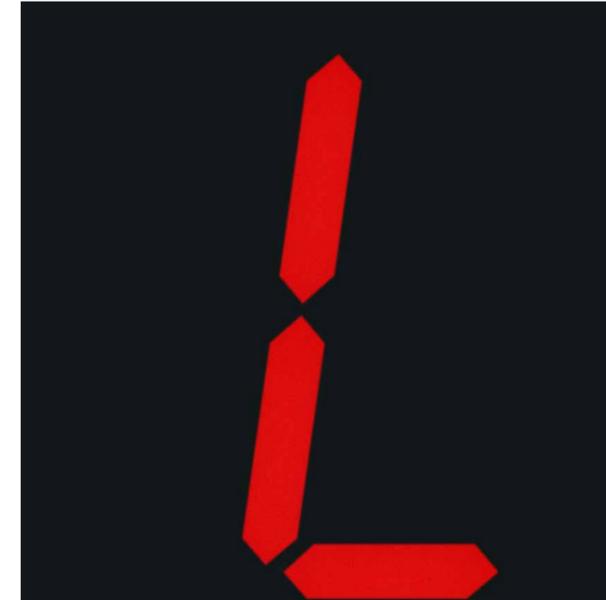

TRANSITION TO INDUCTION? EASY.

Its an easy to transition from a electric cooktop to a Chef induction. If the rated input power of your current electric cooktop is 6.5kW* or less, you can easily upgrade to our induction cooktop with minimal fuss.

WITHOUT INDUCTION

WITH INDUCTION

AUTO OFF SAFETY FEATURE

A safety feature which ensures that your cooktop will automatically turn off when cooking zones are unattended or a spill occurs.

TOUCH ON GLASS CONTROL

Our cooktops have easy to use touch on glass control for a seamless and more responsive cooking experience.
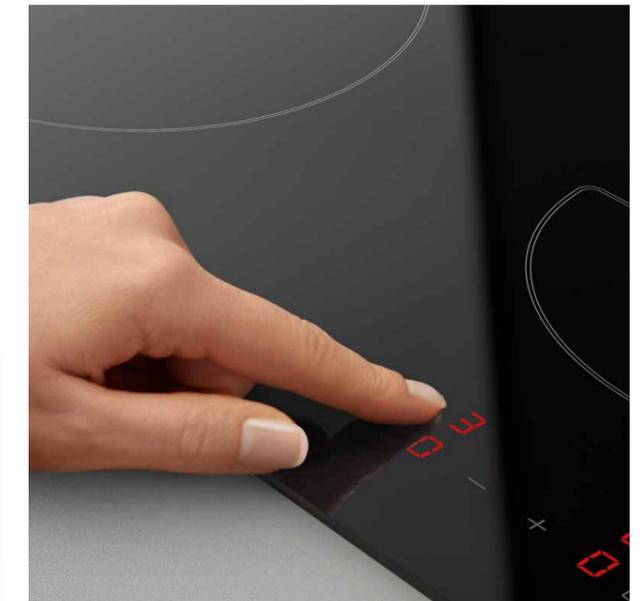

*We recommend contacting a licenced electrician to determine whether your home's existing electric service can support the appliance.
