## World's First in Quad Powerpoints

Clipsal Australia is the first company in the world to offer practical four switched power outlets in great new "metal look" finishes. Our famous Awesome Foursome power outlets now come in Arctic Silver and Chrome Shadow. These fantastic colours will blend in seamlessly with any modern or architectural environment that incorporates the use of steel, stainless steel or aluminium. So now there is no need to compromise on style when it comes to power requirements. Arctic Silver and Chrome Shadow give you the power to set the scene and complement your modern home environment.

## The Awesome Foursome With Style

The modern home has more power requirements than ever, but thanks to Clipsal's awesome foursome you'll never need to unplug one appliance to make room for another, or endure the clutter of power boards lying over the floor.

Not only are Clipsal's Arctic Silver and Chrome Shadow Range practical and stylish, but they also offer four switched power outlet covers so you can mix and match styles as you like.
