

# BLADE

## Economical, slim profile LED batten

- IP20 rated for indoor use
- A 100mm wide profile makes it an excellent retrofit option
- Ideal for applications where ceiling clearance is a priority
- Lightweight, economical Polycarbonate body and PMMA diffuser
- Easy access terminal block (end entry only)
- Galvanised and powdercoated brackets clip and can be positioned along the length of the body, making installation fast

### APPLICATIONS

SUPERMARKETS, CORRIDORS, OFFICE
