

constant voltage non-dimmable

ML-PS20

Technical Information

Power (max): 20W
Max. load wattage: 16W
Input Voltage: 240V
Output Voltage: 12V DC
IP rating: IP66
Warranty: 2 years
Size: Length 182mm | Width 29mm | Height 20mm
Kit includes: 1 x Power supply with flex & plug

ML-PSWP30

Technical Information

Power (max): 30W
Max. load wattage: 24W
Input Voltage: 240V
Output Voltage: 12V DC
IP rating: IP66
Warranty: 2 years
Size: Length 222 mm | Width 29 mm | Height 20 mm
Kit includes: 1 x Power supply with flex & plug

ML-PSWP60

Technical Information

Power (max): 60W
Max. load wattage: 48W
Input Voltage: 240V
Output Voltage: 12V DC
IP rating: IP66
Warranty: 2 years
Size: Length 178 mm | Width 61 mm | Height 49 mm
Kit includes: 1 x Power supply with flex & plug

ML-PSWPI00

Technical Information

Power (max): 100W
Max. load wattage: 80W
Input Voltage: 240V
Output Voltage: 12V DC
IP rating: IP66
Warranty: 2 years
Size: Length 240 mm | Width 66 mm | Height 50 mm
Kit includes: 1 x Power supply with flex & plug

ML-PSWPI50

Technical Information

Power (max): 150W
Max. load wattage: 120W
Input Voltage: 240V
Output Voltage: 12V DC
IP rating: IP66
Warranty: 2 years
Size: Length 240 mm | Width 66 mm | Height 54mm
Kit includes: 1 x Power supply with flex & plug

ML-PSWP300

Technical Information

Power (max): 300W
Max. load wattage: 240W
Input Voltage: 240V
Output Voltage: 12V DC
IP rating: IP66
Warranty: 2 years
Size: Length 310 mm | Width 132 mm | Height 65 mm
Kit includes: 1 x Power supply with flex & plug
Outputs: 4

***For best dimming results, load power supply to maximum**

constant voltage & triac dimmable

new

ML-PSD10

Picture is indicative only

Technical Information

Power (max): 10W
Max. load wattage: 10W*
Dimmable: Yes (see website)
Input Voltage: 180-250V AC
Output Voltage: 12V DC
IP rating: IP20
Warranty: 2 years
Size: Length 145 mm
 Width 55 mm | Height 20 mm

ML-PSD20

Technical Information

Power (max): 20W
Max. load wattage: 20W*
Dimmable: Yes (see website)
Input Voltage: 170-250V AC
Output Voltage: 12V DC
IP rating: IP20
Warranty: 2 years
Size: Length 110 mm
 Width 45 mm | Height 26 mm

ML-PSD30

Technical Information

Power (max): 30W
Max. load wattage: 30W*
Dimmable: Yes (see website)
Input Voltage: 170-250V AC
Output Voltage: 12V DC
IP rating: IP20
Warranty: 2 years
Size: Length 150 mm
 Width 55 mm | Height 33 mm

ML-PSD80

Technical Information

Power (max): 80W
Max. load wattage: 80W*
Dimmable: Yes (see website for dimming instructions)
Input Voltage: 170-250V AC
Output Voltage: 12V DC
IP rating: IP20
Warranty: 2 years
Size: Length 210 mm
 Width 70 mm | Height 42 mm

new

ML-PSD200

Technical Information

Power (max): 200W
Max. load wattage: 200W*
Dimmable: Yes (see website for dimming instructions)
Input Voltage: 170-250V AC
Output Voltage: 12V DC
IP rating: IP66
Warranty: 2 years
Size: Length 256 mm
 Width 80 mm | Height 53 mm

constant current dimmable & non-dimmable
