CUSTOM LABELS

MMS Safety are specialists in the design, production and supply of custom labels. Our experienced team is on-hand to design site specific labels for your business.

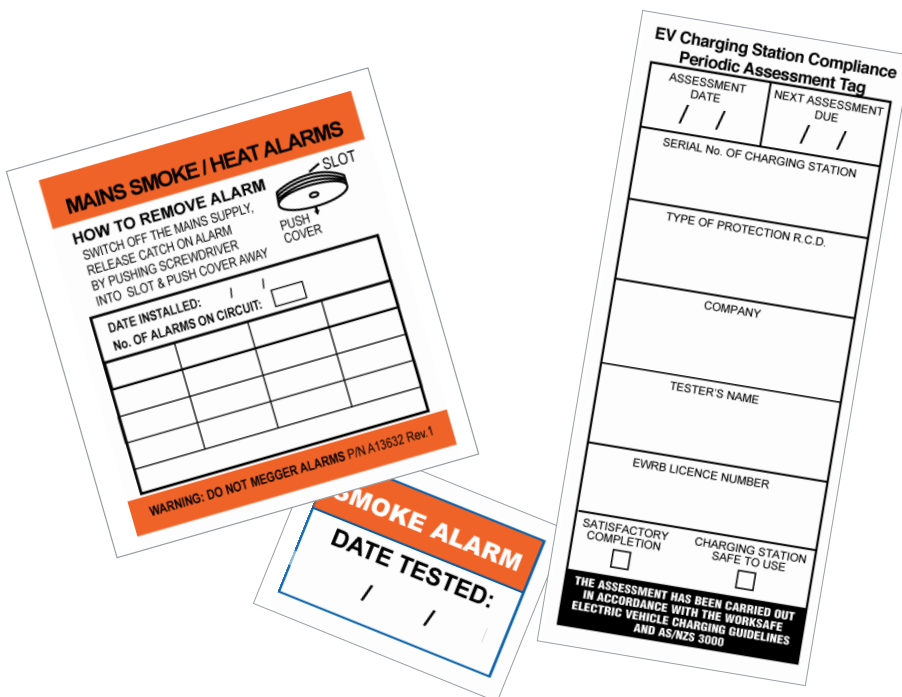

Benefits of Custom Labels

Personalised Design: all labels are professionally designed to meet your requirements.

Quality: **MMS Safety** labels are designed for outdoor use in Australian conditions. Our labels are commonly used on construction and mine sites across Australia and are UV resistant, water proof and tear resistant.

Standards: **MMS Safety** labels meet the requirements of relevant Australian Standards to ensure your team are safe-on-the-job.

Get in touch today, to organise your free design proof and quote.

REDBACK LADDERS

KEY FEATURES INCLUDE

- Anti-Slip Treads
- Triangular Double Tread
- Bracing
- Cross Brace Locking System
- Quad Studded Cap Plate
- Spreader Arm Support
- Quad Studded Spreader Plate
- Reinforced D Ring Construction
- Double Riveted Treads

QUALITY FIBREGLASS LADDERS

Redback Ladders manufacture quality fibreglass ladders at a competitive price. All ladders carry an industrial rating of 150kg and are manufactured to Australian Standards.

Each model is independently tested by a NATA approved lab to ensure all ladders are consistent with strength, durability and dependability.

The Redback Ladder range varies from step ladders, to platform ladders or an extension ladders, built strong to handle repetitive, everyday use, making them a perfect choice for trade or commercial applications.

PLATFORM STEP LADDER

HEAVY DUTY FIBREGLASS PLATFORM LADDERS

The Heavy Duty Fibreglass Platform Ladders provide the ultimate level of safety. The platform provides a large, flat and secure area to stand.

A platform safety rail has also been added to the range of accessories available, which locks in place behind the user ensuring complete safety.

Part No	Description
RBLFPFM90	LADDER PLATFORM HD FIBREGLASS 0.9M
RBLFPFM120	LADDER PLATFORM HD FIBREGLASS 1.2M
RBLFPFM150	LADDER PLATFORM HD FIBREGLASS 1.5M

RBLFPFM200	LADDER PLATFORM HD FIBREGLASS 2M
RBLFPFM230	LADDER PLATFORM HD FIBREGLASS 2.3M

DOUBLE SIDED STEP LADDER

HEAVY DUTY DOUBLE SIDED STEP LADDERS

The Heavy Duty Fibreglass Double Sided Step ladders are part of the top of the range ladders including the added feature of double sided steps still with a heavy duty load rating of 150kg.

Part No	Description
RBLFDS90	LADDER 2 SIDED HD FIBREGLASS 0.9M
RBLFDS120	LADDER 2 SIDED HD FIBREGLASS 1.2M
RBLFDS180	LADDER 2 SIDED HD FIBREGLASS 1.8M
RBLFDS240	LADDER 2 SIDED HD FIBREGLASS 2.4M
RBLFDS300	LADDER 2 SIDED HD FIBREGLASS 3M
RBLFDS360	LADDER 2 SIDED HD FIBREGLASS 3.6M

EXTENSION LADDER

HEAVY DUTY FIBREGLASS EXTENSION LADDERS

The Heavy Duty Fibreglass Extension Ladders are designed with safety in mind, with a heavy duty capacity of 150kg load bearing step rating, this ladder is suitable for most low voltage installations.

Part No	Description
RBLFEX260/410	LADDER EXTENSION HD FIBREGLASS 2.6-4.1M
RBLFEX330/530	LADDER EXTENSION HD FIBREGLASS 3.3-5.3M
RBLFEX380/650	LADDER EXTENSION HD FIBREGLASS 3.8-6.5M
RBLFEX430/770	LADDER EXTENSION HD FIBREGLASS 4.3-7.7M

DUAL PURPOSE LADDER

HEAVY DUTY DUAL PURPOSE LADDERS

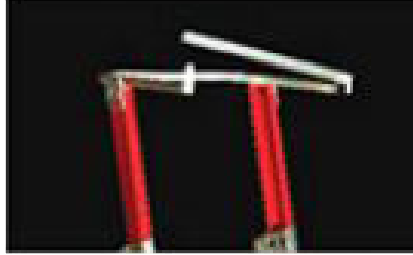

The Heavy Duty Dual Purpose Ladders have been designed with the ability to be converted from a stepladder to an extension ladder. This ladder is ideal for a tradeperson or contractor requiring both a step ladder and an extension ladder.

Part No	Description
RBLFDP170/330	LADDER DUAL HD FIBREGLASS 1.7 - 3.3M
RBLFDP200/390	LADDER DUAL HD FIBREGLASS 2.0 - 3.9M
RBLFDP230/450	LADDER DUAL HD FIBREGLASS 2.3 - 4.5M
