

# 90cm freestanding cooker range

Preparing large family feasts and entertaining friends has just become a whole lot easier thanks to our 90cm freestanding cooker.

With its hugely practical 125L gross capacity and super-quick heat up time, you'll enjoy perfect results no matter what you cook.

By having dual valve control you can take the flame from the highest setting of 17MJ/h down to a simmer, allowing you to create delicious tasting meals for your family in no time at all.

Beautifully designed, and feature-packed, this large, easy to clean oven, with no-fuss PyroClean on selected models is set to become the new family favourite.

## Room for everything with FamilySize ovens

With a spacious 125L gross capacity\*, you can cook large meals with minimum fuss and maximum results. Our ovens have been tested to evenly bake up to 72 mini cupcakes in one go, so they're perfect for last-minute school fundraisers!

\* Based on International Standard IEC 60350-1

## No-fuss PyroClean oven

The Westinghouse PyroClean ovens offer the latest in cleaning technology. Two pyrolytic functions safely heat the oven to a high temperature to turn different levels of grease and grime into ash. Then just quickly wipe the residue away. (Selected models only).

## Twin fan system for even cooking

Cook each dish to perfection with the Twin fan system. Fans rotate in opposite directions, distributing heat evenly throughout the oven, so you enjoy great results every time.

## High powered wok burner

With the highest setting reaching 17MJ/h, you can create delicious tasting meals in no time at all for your family, allowing you to have more time for you and them.

## FamilySafe cool doors

For added safety and confidence in the kitchen, our cool touch door is beautifully designed with a large window, so you can keep a close eye on your cooking.

## Dual valve control

The dual valve control lets you adjust your flame size so you can cleverly go from boil to simmer in an instant.

## 54cm & 60cm freestanding cooking range

Our 54cm and 60cm freestanding cooker range features convenient separate grills and the same FamilySize oven platform as our latest built-in models. Our latest range of slot-in cookers can be freestanding or integrated into kitchen cabinetry for a seamless design, while the upright range has rear controls to keep those curious little fingers at bay.

Both the 54cm and 60cm ranges are available in full electric and full gas combinations, while selected models are also available in a dual fuel combination of electric oven and gas cooktop.

### Class-leading capacity

The large 80L gross capacity oven is designed to fit wide and deep trays with up to 5 shelf positions, allowing you to cook large meals and cater to any number of guests, using either single or multi-shelf cooking.

### Easy-clean oven

Enjoy easy cleaning with one seamless fully sealed oven cavity. With no awkward joints, nooks or crannies to trap grease, a simple wipe is all you need to keep your oven clean. What's more, the formed shelf supports on the inside of your oven make cleaning easier.

### Handy separate grilling compartment

Enjoy the ability to grill and bake at the same time while keeping different cooking flavours and smells apart. Even with such a large main oven capacity, you can enjoy the convenience of a separate grill, without compromising on precious oven space. (Selected models only)

### Durable surfaces

Whether you prefer white enamel or stainless steel, enjoy a sparkling finish every time. With supreme durability on external surfaces, you can be assured your cooker will look as good as new for years to come.

### High performance cooktops

Whether you prefer cooking with gas or the practicality of coils, easy-clean solid or stylish ceramic, our cooktops provide the ultimate in power and ease of use.

## 54cm & 60cm slot-in cooker range

### High performance cooktops

Choose between stylish and powerful ceramic cooktops, with high performance elements, including dual zones, or gas models with a high powered triple ring wok burner, allowing you to cook anything with ease, from family stir-frys to slow simmering.

### Durable cast iron trivets

The Westinghouse cast iron trivets have been designed for greater pot and pan stability, enabling easy pot movement between burners.

(Selected models only).

### Easy clean ceramic surface

Not only aesthetically pleasing, the full glass ceramic hob with touch controls is easy to use and clean and eliminates dirt traps.

(Selected models only).

### Easy ignite

For busy kitchens the easy ignite under knob ignition is quick, simple and safe to use.

### Fingerprint resistant stainless steel

Fingerprints have met their match. Enjoy a family-friendly oven with stainless steel that really is stainless. Your customers will keep their ovens looking like new with our easy-to-clean, smudge-free stainless steel.

### FamilySafe Flame failure device

Created with safety in mind, the flame failure safety device will immediately shut off the gas supply if the flame on the cooktop is unexpectedly extinguished.

## 54cm & 60cm upright cooker range

### Easy reach rear controls

The unique easy reach angled rear control system offers you and your family peace of mind while cooking by keeping oven controls far from children's reach.

(Selected models only).

### Digital programmable timer

With 3 simple-to-operate buttons, you can automatically set the oven to turn on or off, or simply use the clock as a timer.

(Selected models only).

### Practical coil elements

Both practical and durable, the coil elements provide an easy cleaning solution as parts can be easily removed for cleaning.

(Selected models only).

### Hot surface indicator

Avoid unnecessary accidents in the kitchen with hot surface indicators that clearly show if the hotplates are activated or still hot.

(Selected models only).
