Easy clean formed shelf supports	Easy reach rear controls	Power on indicator indicates if power is on to provide peace of mind	Solid elements

BENEFITS

Fan forced for even cooking
When it comes to cooking, one of the biggest is even heat distribution over your dishes. By using fan forced cooking you are able to create an even cooking result.

Grill separately for smooth entertaining
The separate grilling compartment on selected models means you can entertain guests and cook big family meals with absolute ease and without compromising on precious oven space.

Set for 1 hour
The mechanical timer keeps track of your cooking time for 1 hour.

Clean your shelf supports with ease
When it comes to cleaning your oven we want it to be fuss free, given the design of our shelf supports you can clean the sides of your oven with ease as there are no racks to be removed.

On and ready to cook
The power on indicator clearly shows when your cooktop is on allowing your family to safely move around the kitchen.

Rear control for safety
Our rear control is easy to reach and angled to keep your cookers control away from smaller hands.

Built in Australia
Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.
